The Company has sourced the industry information from the publicly available resources and has not verified those information independently.

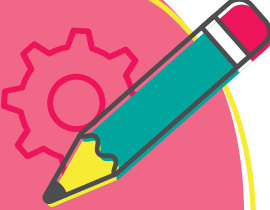

Despite the multiple challenges in the operating environment, we kept up with our strategic investments and retained customer interest through new and innovative product launches. We ran plants at higher capacities to fulfil increased order commitments and strengthen our credibility as a preferred supplier. We added new distributors and retail touchpoints to enhance product visibility.

More importantly, we continue to add new markets in both domestic and international locations to enhance market share and strengthen network. We are sharply focussed on increasing our online presence to meet the fast-changing customer demands. Besides, we have a stringent sustainable development policy to minimise the environment footprint and ensure holistic development of our communities.

We look into the future marked by immense opportunities with greater confidence, stronger balance sheet, and heightened optimism. Our aim is to drive higher value-creation for our stakeholders and scale business growth.

Managing Director's Message

THE KIDS WEAR APPAREL INDUSTRY IN INDIA HAS GONE THROUGH A TRANSFORMATION OVER THE YEARS AND IRIS HAS BEEN AT THE FORE OF THIS CHANGE THROUGH ITS INNOVATION, QUALITY, DESIGN VALUES AND DISTRIBUTION. I AM PLEASED TO ANNOUNCE THAT IN FY22 OUR REVENUES CROSSED THE COVETED 100 CRORE MARK AND STOOD AT 111.5 CRORES, REPORTING A ROBUST 26.9% GROWTH OVER THE LAST FINANCIAL YEAR.

Dear Shareholders,

Our determination to succeed and perform well, despite the unprecedented challenges faced last year, has set us on a path of significant growth, where on one hand we continued to increase our distribution footprint to grow our market reach, on the other hand we also kept expanding our product mix to cater to a larger customer base.

The kids wear apparel industry in India has gone through a transformation over the years and Iris has been at the fore of this change through its innovation, quality, design values and distribution. I am pleased to announce that in FY22 our revenues crossed the coveted 100 Crore mark and stood at 111.5 Crores, reporting a robust 26.9% growth over the last financial year. This growth was primarily driven by increased sale volumes and expansion of our distribution network domestically and globally. On the domestic front, we expanded our reach to another 5 Tier II/III cities

across Uttar Pradesh, Kerala, Punjab and Rajasthan; while on the export front, we sent out shipments to countries in Middle East & South Africa. We further launched our infant wear vertical in December 2021.

We have a manufacturing infrastructure that is strongly backward integrated that enables us to have better quality control and be cost-efficient. To enhance our capabilities further we invested close to ₹3 Crores last year that led to an increase in our installed capacity from 27,000 pieces to 30,000 pieces manufactured/day. With this additional capacity we aim to manufacture between 24,000 and 27,000 pieces/day by FY23 from the current level of 22,500 pieces.

I am pleased to announce that we began FY2023 on a very good note as we launched the accessories line under our infants vertical. Currently, we have delivered to 8-10 cities in India and will be targeting more cities in the quarters to come.

Going forward, we will continue to make investments to grow our capacity. For FY2023, our capex target will be ₹3 Crores which will increase our installed capacity by 10% by the end of fiscal year. The year will further mark the launch of our undergarments and sportswear vertical. Additionally, we launched our B2B platform for wholesalers at the start of FY2023. The app will provide the wholesalers with real time access to our inventory and improve the overall turnaround time in the whole order to execution cycle. This is a significant milestone in our journey as it will improve our sales efficiency and reduce our inventory turnover days. Moreover, our much-awaited B2C e-commerce platform will go live in the upcoming year and will be launched with a much larger product portfolio from what we are selling today. We believe our new product launches coupled with technology advancements will give us a significant head start and set us for a good growth trajectory as we enter the new financial year.

I BELIEVE THE OPPORTUNITY THAT WE ARE TAPPING, BEING A HOME-GROWN COMPANY WITH A BRAND, IN AN ERA THAT IS SO BRAND CONSCIOUS, IS HUGE. ON TOP OF THAT, CATERING TO THE KIDS' SEGMENT THAT DOES NOT HAVE A LOT OF DOMESTIC BRANDS MAKES THAT OPPORTUNITY EVEN HUGE.

To talk about our strategy ahead, we will be growing our business on four fronts. One, we will continue with our innovation-driven strategy and keep launching new products. We will be focussing on the undergarments, sportswear, and infant wear segment where we see strong growth prospects. Two, constantly add new markets in both domestic and international locations. While in India, we will keep increasing our footprint in Tier II & III cities; globally, we will be targeting newer regions in Middle East, Africa, and West Asia. Three, would be to increase our market share in existing markets by strengthening our network. And four, grow our online business along with our offline business.

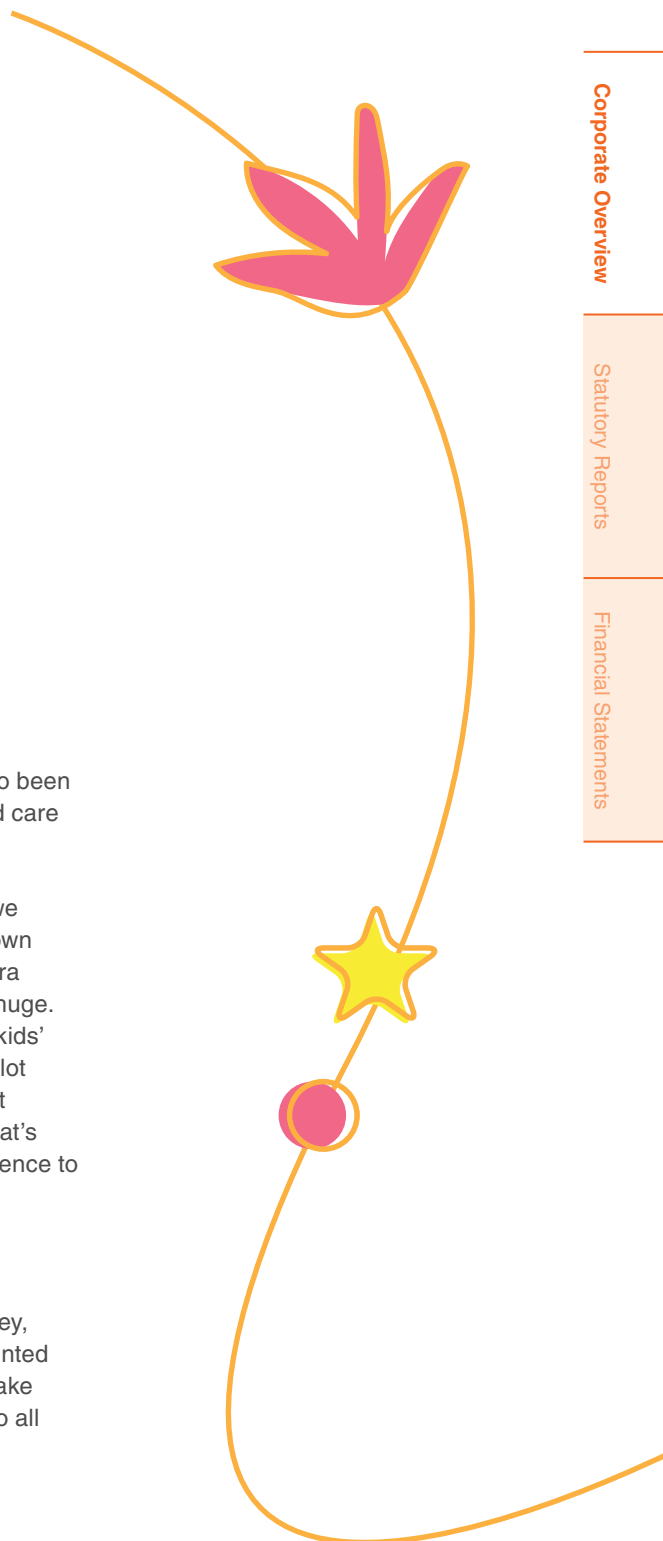

Employees, as I always say, have been the key pillars of our success as a Company. Hence, I would like to thank each one of our employees for their execution-focussed work throughout the year. Moreover, at

these times, our focus has also been to support them and take good care of their health.

I believe the opportunity that we are tapping, being a home-grown company with a brand, in an era that is so brand conscious, is huge. On top of that, catering to the kids' segment that does not have a lot of domestic brands makes that opportunity even huge. And that's what gives us immense confidence to operate in this sector.

With this, I would like to thank all our stakeholders for their continued support in our journey, over the years. With your unstinted support, we will continue to make progress as we deliver value to all our shareholders.

Warm Regards,
SANTOSH LADHA
 Managing Director

Management Discussion and Analysis Report

Macroeconomic Scenario

As per International Monetary Fund, World Economic Outlook Report of April 2022, the global GDP is estimated to decline from 6.1% in 2021 to 3.6% in 2022 and 2023. This outlook comes at the back of the ongoing war in Ukraine and subsequent sanctions on Russia that are expected to reduce global growth in 2022. The impact of the war has spread widely in the form of rising global commodity prices, labour supply, trade and financial linkages and humanitarian effects. Inflation has been on the rise, even before the war began and has led to monetary tightening by central banks in both advanced, emerging and developing economies. The financial markets have been volatile given the increased expectation of tighter policies in the coming months and worries about the war.

As per FICCI's Economic Outlook Survey, Indian GDP is expected to grow by 7.4% in 2022-23. Agriculture and allied activities are expected to grow at 3.3% in 2022-23, while services and industry sector are projected to grow by 8.5% and 5.9%. Although the threat from pandemic continues to remain in the forefront, the Russia-Ukraine war is posing a significant challenge to the country's recovery. The sharp rise in crude prices has been a significant shock to the macro-economic framework, as India is a net importer when it comes to meeting its energy requirements. Hence, inflation is believed to be the most significant risk in India. Private consumption has been tepid for most part of 2021-22 making it the weakest link in the progress of recovery. Moreover, purchasing power has been further restrained given the rising inflation especially for low & lower-middle income households.

Indian Textile and Apparel Industry

The textile and apparel industry of India is highly diversified given the wide range of segments it encompasses. While the industry covers products like traditional handloom, wool, handicrafts, and silk products on one side of the spectrum, the other side consists of the organized textile industry that manufactures products on a much larger scale. The organized textile industry in India is categorized basis the use of capital-intensive technology and further involves spinning, weaving, processing, and apparel manufacturing.

India is the second-largest producer of textiles and garments in the world. Moreover, it is the sixth largest exporter of textiles that includes apparel, home, and technical products, with a 4% share of the global trade in textiles and apparel. The industry contributes 2% to the country's GDP and 7% of industry output in value terms. Textiles, apparel, and handicrafts made up 11% of India's total exports. As per Invest India, the textile and garment market of India stood at US\$ 103 Bn in FY2021 and is forecasted to touch US\$ 190 Bn by FY2026. The market size of the apparel industry of India was US\$ 40 Bn in 2020 and is expected to reach US\$ 135 Bn by 2025, as per IBEF.

India enjoys a comparative advantage given the abundant availability of raw materials like cotton, wool, jute, and silk, and access to skilled manpower at competitive wages. The forecasted market expansion will be majorly driven by growing preference for brands, rising per capita income and higher disposable incomes.

The industry enjoys significant support from the Government of India as well. The government allows 100% Foreign Direct Investment (FDI) in the textile sector. Total FDI inflows in the sector stood at US\$ 3.9 Bn between April-December 2021. Moreover, to improve India's manufacturing capabilities and enhance exports, the Government of India introduced a Production-Linked Scheme (PLI) for Textiles with an outlay of Rs. 10,683 Cr. The scheme has two parts – (1) Minimum investment of Rs. 300 Cr required to receive an incentive of Rs. 600 Cr; (2) Minimum investment of Rs. 100 Cr along with a minimum turnover required for an incentive of Rs. 200 Cr. Around 61 applicants have been approved under PLI for Textiles out of the 67 applicants received.

Kids Apparel Industry

The Indian kids apparel market is forecasted to grow from US\$ 17 Bn in FY2020 to US\$ 23 Bn in FY2026, reporting a CAGR of 5.9%. Traditionally, basic function-style kids' apparel used to be the trend, which was mainly catered by the unorganized sector. However, the industry was undergone a major shift over the years. Today, parents are becoming more brand conscious and exhibit an inclination towards high quality apparels for their kids. The shift has

been driven by growing number of nuclear families and dual income households coupled with changing preferences mainly influenced by frequent international travels, growth of social media, and awareness of global fashion trends and brands. Parents have been willing to spend more on their kids and want them to wear the latest fashion branded apparel. This trend has been more prevalent in Tier I & II cities. Growing retail expansion and internet retailing have been major contributors to the growth of kids' wear market in India.

The market has a huge customer base of ~120 Mn children between the age group of 0-4 years and ~250 Mn children between 5-15 years, making it a lucrative segment to cater to. The kids' wear segment is expected to grow faster than the dominating menswear and womenswear segments by 2023, with a larger focus on apparels for new-born babies and toddlers.

Company Overview

Iris Clothings Limited ("Iris" or "the Company") is a fast-growing kids' apparel company that is engaged in designing, manufacturing, branding, and selling garments. Our products are sold under the brand – DOREME, which was launched within a year of starting the business in 2005. DOREME started its sales through distributor-retailer network based out of Mumbai. Since then, the brand has been steadily gaining popularity from word-of-mouth publicity. It has also gained acceptance in the retail stores given its high-quality and stylish range of collection and our ability to continuously launch new products with varied designs.

We currently operate out of 4 key manufacturing sites based out of Howrah in West Bengal. Our brand has good presence in 26 states across India with Maharashtra, Rajasthan, Gujarat and NCR being our key markets. We have over 125 distributors who are selling our garments, and this network is expanding as we speak. While most of our sale happens through this distribution network, we do around 10% of sales directly through online e-commerce channels like FirstCry and Hopscotch.

Our Products and Segments

The Company is dealing in only one segment i.e., manufacturing and trading of readymade garments and clothing accessories in the kids' segment through its brand – DOREME. DOREME offers a wide range of apparels for infants, toddlers, and junior boys and girls that suit both their indoor and outdoor requirements. This includes – tops, t-shirts, trousers, shorts, dresses, polyfil suits, loungewear/nightwear, sweatshirts, hoodies, padded suits, and accessories.

Our Strategies

Expanding Product Portfolio

Iris has carved a niche for itself by focussing on kids' segment and has established a strong brand – DOREME. It offers a wide range of affordable and good quality apparels for infants, toddlers, and children in their pre-teens, serving both their indoor and outdoor requirements. The Company aims to keep expanding its product offerings to provide a greater choice to customers. Iris has plans to enter and expand the undergarments and sportswear vertical in the coming year.

Integrated Operations

Iris is an integrated player with 100% in-house infrastructure right from Design conceptualization, Raw material procurement, Manufacturing & Branding and finally Selling this to Distributors. Being completely backward integrated allows the Company to have better quality control, be cost-efficient and have healthy operating margins.

Manufacturing Prowess

Iris has four manufacturing facilities and 9 units at Howrah, West Bengal.

- **Foreshore Road, Howrah** – This plant has 4 units for stitching and finishing with fully automated stitching machines from Japan and from a renowned indigenous brand; and 1 unit for dispatch.
- **Pachla, Howrah** – Iris set up its first fully modernized stitching and finishing unit here with online processes. The Company further enjoys locational advantage in terms of skilled labour and raw material availability.
- **Uluberia, Howrah** – Iris consolidated all the manufacturing activities in a single location and has installed fully automated cutting machinery from Italy and printing machinery from US and Poland. The Company has also employed a fully modernized stitching and finishing unit with online processes.
- **Srijjan Industrial Park, Bombay Road** – The Company set up its third fully modernized stitching & finishing unit with online processes and also has 1 unit for dispatch.

Constant Innovation & Quality Consciousness

The Company's growth driver has been its designing skills and constant innovation in its product line. 5-10% designs are repeated every year, but 90% new designs are launched every year.

Iris ensures adherence to the desired standards of quality and specifications for its products and processes by undertaking adequate and stringent quality checks. This

has helped the company in building strong customer trust and securing repeat business.

Wide Network of Distributors

The DOREME brand has good presence in 26 states across India with Maharashtra, Rajasthan, Gujarat, and NCR being the Company's key markets. Iris had over 125 distributors as of March 31, 2022. While most of the sale happens through this distribution network, the Company does around 10% of sales directly through online e-commerce channels like FirstCry and Hopscotch. The Company also exports to Mozambique, Africa.

Iris has been expanding its presence in Tier II & III cities and has plans to add distributors in newer geographies especially in South India, to deepen market penetration, increase visibility and expand reach to markets with higher potential demand. Moreover, the Company keeps participating in various industry exhibitions and tradeshow to increase its visibility among the trade partners. Iris has planned an extensive channel partner loyalty and engagement programme to drive their stickiness and boost morale.

Enhancing Brand Visibility

For a larger part, ever since the Company started operating, the brand has been steadily gaining popularity from word-of-mouth publicity. However, Iris plans to enhance its digital marketing and branding initiatives to better mirror the customers' fast-changing needs. The Company plans to undertake activities to enhance its brand recall and customer connect on social media channels. This would eventually drive traffic to its exclusive online platform that is expected to launch in FY2023.

Developments in FY2022

Increased production capacity

The Company did ~Rs. 3 Crores of Capex and increased its installed capacity from 27,000 pieces to 30,000 pieces manufactured/day. With this additional capacity, the Company aims to manufacture between 24,000 and 27,000 pieces/day by FY2023 from the current level of 22,500 pieces.

Entered infants wear vertical

The Company expanded into product portfolio and launched the infants wear vertical in December.

Outlook

The Company will continue with its innovation-driven strategy and keep launching new products. It will be focussing on launching and scaling up the undergarments

and sportswear segment, and the recently launched infant wear segment where it sees strong growth prospects. Iris will constantly enter new markets in both domestic and international locations. While in India, it will keep increasing its footprint in Tier II & III cities; globally, it will be targeting newer regions in Middle East, Africa, and West Asia. The Company further plans to increase its market share in existing markets on the back of innovation and by strengthening its distribution network. Lastly, Iris will focus on growing its online business along with its offline business.

Opportunities and Threats

The growth is expected to be driven by factors such as increased purchasing power, driving growth in primary discretionary spend, better access and availability of products, brand consciousness, increasing urbanisation and rising digitisation. The Company is in the process of evaluating various options for the same and plans to grow domestically and internationally keeping in view the new opportunities created.

Indian markets are likely to emerge as one of the largest markets in the next few decades, therefore many international apparel brands have commenced operations in India increasing the competition intensity. However, by being focussed on providing good quality garments at affordable prices Iris is less exposed to this threat.

Risks and Concerns

Due to the ongoing war, rising commodity prices can be a cause of concern for the Company. However, given the long-standing relationships with suppliers, the Company has the ability to exercise better price at the time of raw material procurement. Iris has been taking advantage of locational synergies as well when it comes to raw material and skilled labour availability.

Internal Control Systems and their Adequacy

The Company maintains adequate and effective Internal Control Systems commensurate with its size and complexity. It believes that these systems provide, among other things, a reasonable assurance that transactions are executed with management authorisation. It also ensures that they are recorded in all material respect to permit preparation of financial statements in conformity with established accounting principles along with the assets of the Company being adequately safeguarded against significant misuse or loss. An independent Internal Audit function is an important element of Company's Internal Control System. This is supplemented through an extensive internal audit programme and periodic review by the management and the Audit Committee of Board.

Independent Auditor's Report

To the Members of IRIS Clothings Limited

Report on the Audit of the Ind AS financial statements

Opinion

We have audited the Ind AS financial statements of IRIS Clothings Limited ("the Company") which comprise the balance sheet as at March 31, 2022, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Ind AS financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information obtained at the

date of this auditor's report is information included in the Annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Management's Responsibility for the Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going

concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report

to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 31 (i) (1) to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on audit procedures that has considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. No dividend has declared or paid by the Company during the financial year.

Annexure “A” to the Independent Auditor’s Report

Annexure to the Independent Auditors’ Report to the Members of IRIS Clothings Limited referred to in paragraph 1 of Report on Other Legal and Regulatory Requirements in our Report of even date

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The property, plant and equipment were physically verified during the year by the Management in accordance with a program of verification, which in our opinion provides for physical verification of all the property, plant, and equipment at reasonable intervals.

According to the information and explanations given to us no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds, comprising all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company as at the balance sheet date.

(d) The Company has not revalued any of its property, plant, and equipment (including Right of Use assets) and intangible assets during the year, hence reporting under clause (i)(d) of the Order is not applicable.

(ii) (a) According to the information and explanations given to us, the physical verification of inventory has been conducted at reasonable intervals by the management and in the opinion, the coverage and procedure of such verification by the management is appropriate, having regard to size of the Company. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising stock statements filed by the Company with such banks or financial institutions are generally in agreement with the unaudited books of account of the Company of the respective quarters.

(iii) The Company has not, made investments in, provided any guarantee or security, or granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year, hence the clause (iii) of Order is not applicable.

(iv) As the Company has not, given or provided or made, any loans, investments, guarantees, and security the provisions of sections 185 and 186 of the Act is not applicable. Therefore, reporting under clause (iv) of the Order is not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.

As informed to us, no order has been passed by the Company law Board and National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal against the company for any violation of deposit provisions.

(vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained.

We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

c) Details of dues of Income tax, Goods and Service Tax, cess which have not been deposited as on March 31, 2022 on account of disputes are given below:

Name of the Statute	Nature of Dues	Amount (₹) (Net of Deposit)	Period to which the amount relates	Forum where the dispute is pending
Income Tax Act, 1961	Income Tax	1,35,68,260/-	A.Y. 2013-14	C.I.T.(Appeal)

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year hence, reporting under clause 3 (ix)(c) of the Order is not applicable.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) We report that the Company has neither taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries,

(vii) According to the information and explanations given to us, in respect of statutory dues:

a) The Company has generally been regular in depositing undisputed statutory dues, including Income tax, Goods and Service Tax, Provident Fund, Employees' State Insurance, cess, and other material statutory dues applicable to it to the appropriate authorities.

b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Goods and Service Tax, Value Added Tax, cess, and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.

associates, or joint ventures, hence reporting under clause 3 (ix)(e) of the Order is not applicable.

(f) We report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies, hence reporting under clause 3 (ix) (f) of the Order is not applicable.

(x) According to the information and explanations given to us, no money was raised by way of initial public offer or further public offer (including debt instruments) during the year, hence reporting under clause (x) of the Order is not applicable

(xi) (a) According to the information and explanations given to us, no fraud by the company or any fraud on the company has been noticed or reported during the year.

(b) During the year, no fraud by the company or any fraud on the company has been noticed or reported, accordingly no such report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

- (c) According to the information and explanations given to us, the Company has a mechanism or policy for whistle-blower complaints to lodge. As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- (xii) The Company is not a Nidhi Company, hence reporting under clause (xii) of the Order is not applicable.
- (xiii) All transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.
- (xiv) (a) In our opinion and based on our examination, the company has an adequate internal audit system commensurate with size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) According to information and explanations given to us and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with its directors and hence the provisions of section 192 of Companies Act are not applicable to the Company.
- (xvi) (a) The company is not required to be registered as a non-banking financial company under section 45-IA of the Reserve Bank of India Act, 1934, hence reporting under clause (xvi) (a), (b) and (c) of the Order is not applicable.
- As represented to us by the management, the group has no CIC.
- (xvii) The company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, the auditor is of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility ("CSR") and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Act, or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3 (xx) of the Order is not applicable for the year.

Annexure “B” to the Independent Auditor’s Report

Annexure to the Independent Auditors’ Report to the Members of IRIS Clothings Limited referred to in paragraph 2 (g) of Report on Other Legal and Regulatory Requirements in our Report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of IRIS Clothings Limited as of March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain

reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

1. Corporate Information

IRIS Clothings Limited is a limited company incorporated under the provision of the Companies Act, 1956 and domiciled in India. The registered office of the company is at 103/24/1, Foreshore Road Shibpur Howrah-711102 West-Bengal India. The Company is engaged in manufacturing of Readymade Garments.

Its shares are listed on the National Stock Exchange (NSE) Main Platform, India.

2. Statement of Compliance

These financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under section 133 read with sub-section (1) of section 210 A the Companies Act, 2013, the relevant provisions of the Companies Act, 2013 ("the Act") and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable. In addition, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied along with compliance with other statutory promulgations require a different treatment.

2.1. Basis of Preparation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Fair value measurements under Ind AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at reporting date.
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

The cost of unquoted investments included in Level 3 of fair value hierarchy approximate their fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

2.2. Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division II to Schedule III to the Companies Act, 2013 ("the Act") applicable for the Companies preparing and presenting their financial statements as per Ind AS. The Statement of Cash Flows has prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the financial statements are presented in Indian Rupees (INR) and per share data are presented in Indian Rupee to two decimal places.

2.3. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

i) Sales of goods

The Company recognises revenue from sale of goods when the goods are delivered, and titles have been passed at which time all the following conditions are satisfied:

- a) the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- b) the Company retains neither continuing managerial involvement to the degree

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

usually associated with ownership nor effective control over the goods sold;

- c) the amount of revenue can be measured reliably;
- d) it is probable that the economic benefits associated with the transaction will flow to the Company; and
- e) the costs incurred or to be incurred in respect of the transaction can be measured reliably.

ii) Export Incentives

Revenue in respect of the export incentives is recognized when no significant uncertainty exists with regard to the amount to be realized and the ultimate collection thereof.

iii) Insurance and Other Claims

Revenue in respect of claims is recognized when no significant uncertainty exists with regards to the amount to be realized and the ultimate collection thereof.

iv) Interest and Dividend Income

Interest income is recognised in the Statement of Profit and Loss and for all financial instruments except for those classified as held for trading or those measured or designated as at fair value through profit or loss (FVTPL) is measured using the effective interest method (EIR).

The calculation of the EIR includes all fees and points paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at FVTPL transaction costs are recognised in profit or loss at initial recognition.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised

cost of the credit-impaired financial assets (i.e., the gross carrying amount less the allowance for expected credit losses (ECLs). For financial assets originated or purchased credit-impaired (POCI) the EIR reflects the ECLs in determining the future cash flows expected to be received from the financial asset.

Dividend income is recognised when the Company's right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.

v) Other Operational Revenue

Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.4. Properties, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes all direct cost related to the acquisition of PPE and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy.

For transition to Ind AS, the Company has elected to adopt as deemed cost, the carrying value of PPE measured as per Previous GAAP less accumulated depreciation and cumulative impairment on the transition date of April 1, 2018. In respect of revalued assets, the value as determined by valuers as reduced by accumulated depreciation and cumulative impairment is taken as cost on transition date.

Land and buildings held for use are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work in progress".

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

Depreciation is recognised using reducing balance method so as to write off the cost of the assets (other than freehold land)) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Depreciation for additions to/deductions from, owned assets is calculated pro rata to the period of use. Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is recognised in profit or loss.

2.5. Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Direct expenses and administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortised on straight line basis over the estimated useful life. The method of amortisation and useful life are reviewed at the

end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are recognised in profit or loss when the asset is derecognised.

2.6. Impairment of Tangible and Intangible Assets other than Goodwill

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, investment property and intangible assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- i) in the case of an individual asset, at the higher of the net selling price and the value in use; and
- ii) in the case of a cash generating unit (the smallest identifiable Company of assets that generates independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

unit) is reduced to its recoverable amount. For this purpose, the impairment loss recognised in respect of a cash generating unit is allocated first to reduce the carrying amount of any goodwill allocated to such cash generating unit and then to reduce the carrying amount of the other assets of the cash generating unit on a pro-rata basis.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit), except for allocated goodwill, is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss (other than impairment loss allocated to goodwill) is recognised immediately in the Statement of Profit and Loss.

2.7. Inventories

Inventories are stated at lower of cost and net realisable value. The cost is calculated on First in First Out (FIFO) method except work in progress which is valued at raw material cost plus conversion costs depending upon the stage of completion. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate overheads based on normal level of activity. Net realisable value is the estimated selling price less estimated costs for completion and sale.

Obsolete, slow moving, and defective inventories are identified from time to time and, where necessary, a provision is made for such inventories.

2.8. Employee Benefits

i) Short Term Employee Benefits

Employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

ii) Post-employment benefits:

- a) Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognised during the period in which the employee renders the related service.
- b) Defined benefit plans: The obligation in respect of defined benefit plans, which cover Gratuity are provided for on the basis of an actuarial valuation at the end of each financial year using project unit credit method. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of the year. Actuarial losses/gains are recognised in the Other Comprehensive Income in the year in which they arise.

Re-measurement, comprising actuarial gains and losses, is reflected immediately in the Balance Sheet with a charge or credit recognised in the Other Comprehensive Income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings, and will not be reclassified to profit or loss.

Defined benefit costs are categorized as follows:

- i) Service cost (including current service cost, past service cost, as well as gain and losses on curtailments and settlements);
- ii) Net interest expense or income; and
- iii) Re-measurement.

The Company presents the first two components of defined benefit costs in Statement of Profit and Loss in the line item 'Employee Benefits Expense'.

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

The present value of the defined benefit plan liability is calculated using a discount rate, which is determined by reference to market yields at the end of the reporting period on government bonds.

The retirement benefit obligation, recognized in the Balance Sheet, represents the Company's liability based on actuarial valuation.

iii) Long term employee benefits:

The obligation recognised in respect of long term benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii) (b) above.

iv) Termination benefits:

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

2.9. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the

lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component based on the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

reasonably similar characteristics, the Company, on a lease-by-lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

Company as a Lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease.

Transition

The Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets

that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

2.10 Financial Instruments

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

1) Financial Assets

a) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

by both collecting contractual cash flows that give rise on specified dates to sole payments of principal and interest on the principal amount outstanding and by selling financial assets.

c) Debt instruments at amortised cost or at FVTOCI

The Company assesses the classification and measurement of a financial asset based on the contractual cash flow characteristics of the asset and the Company's business model for managing the asset.

For an asset to be classified and measured at amortised cost, its contractual terms should give rise to cash flows that are solely payments of principal and interest on the principal outstanding (SPPI).

For an asset to be classified and measured at FVTOCI, the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has more than one business model for managing its financial instruments which reflect how the Company manages its financial assets to generate cash flows. The Company's business models determine whether cash flows will result from collecting contractual cash flows, selling financial assets or both.

The Company considers all relevant information available when making the business model assessment. However, this assessment is not performed on the basis of scenarios that the Company does not reasonably expect to occur, such as so-called 'worst case' or 'stress case' scenarios. The Company takes into account all relevant evidence available such as:

- how the performance of the business model and the financial assets

held within that business model are evaluated and reported to the entity's key management personnel;

- the risks that affect the performance of the business model (and the financial assets held within that business model) and, in particular, the way in which those risks are managed; and
- how managers of the business are compensated (e.g., whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).

The Company reassess its business models each reporting period to determine whether the business models have changed since the preceding period. For the current and prior reporting period the Company has not identified a change in its business models.

When a debt instrument measured at FVTOCI is derecognised, the cumulative gain/loss previously recognised in OCI is reclassified from equity to profit or loss.

In contrast, for an equity investment designated as measured at FVTOCI, the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss but transferred within equity.

Debt instruments that are subsequently measured at amortised cost or at FVTOCI are subject to impairment.

d) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

e) **De-recognition**

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily de-recognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and
- either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

2) **Financial liabilities**

- a) Financial liabilities, including derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher.

All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

- b) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

2.11. Write Off

Loans and debt securities are written off when the Company has no reasonable expectations of

recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

2.12. Impairment

The Company recognises loss allowances for ECLs on the following financial instruments that are not measured at FVTPL:

- Loans and advances to customers;
- Debt investment securities;
- Trade and other receivable;
- Lease receivables;
- Irrevocable loan commitments issued; and
- Financial guarantee contracts issued.

Credit-impaired financial assets

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event—instead, the combined effect of several events

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortised cost or FVTOCI are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment.

For financial assets where concessions are contemplated but not granted the asset is deemed credit impaired when there is observable evidence of credit-impairment including meeting the definition of default. The definition of default (see below) includes unlikelihood to pay indicators and a back-stop if amounts are overdue for 90 days or more.

Significant increase in credit risk

The Company monitors all financial assets and financial guarantee contracts that are subject to the impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk the Company will measure the loss allowance based on lifetime rather than 12-month ECL.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Company compares the risk of a default occurring on the financial instrument at the reporting date based on the remaining maturity of the instrument with the risk of a default occurring that was anticipated for the remaining maturity at the current reporting date when the financial instrument was first recognised. In making this assessment, the Company considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort, based

on the Company's historical experience and expert credit assessment.

Given that a significant increase in credit risk since initial recognition is a relative measure, a given change, in absolute terms, in the Probability of Default will be more significant for a financial instrument with a lower initial PD than compared to a financial instrument with a higher PD.

As a back-stop when loan asset not being a corporate loans becomes 30 days past due, the Company considers that a significant increase in credit risk has occurred and the asset is in stage 2 of the impairment model, i.e. the loss allowance is measured as the lifetime ECL in respect of all retail assets. In respect of the corporate loan assets, shifting to Stage 2 has been rebutted using historical evidence from own portfolio to a threshold of 60 days past due, which is reviewed annually.

Purchased or originated credit-impaired (POCI) financial assets

POCI financial assets are treated differently because the asset is credit-impaired at initial recognition. For these assets, the Company recognises all changes in lifetime ECL since initial recognition as a loss allowance with any changes recognised in profit or loss. A favourable change for such assets creates an impairment gain.

Definition of default

Critical to the determination of ECL is the definition of default. The definition of default is used in measuring the amount of ECL and in the determination of whether the loss allowance is based on 12-month or lifetime ECL, as default is a component of the probability of default (PD) which affects both the measurement of ECLs and the identification of a significant increase in credit risk.

The Company considers the following as constituting an event of default:

- the borrower is past due more than 90 days on any material credit obligation to the Company; or
- the borrower is unlikely to pay its credit obligations to the Company in full.

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

The definition of default is appropriately tailored to reflect different characteristics of different types of assets.

When assessing if the borrower is unlikely to pay its credit obligation, the Company takes into account both qualitative and quantitative indicators. The information assessed depends on the type of the asset, for example in corporate lending a qualitative indicator used is the admittance of bankruptcy petition by National Company Law Tribunal, which is not relevant for retail lending. Quantitative indicators, such as overdue status and non-payment on another obligation of the same counterparty are key inputs in this analysis. The Company uses a variety of sources of information to assess default which are either developed internally or obtained from external sources. The definition of default is applied consistently to all financial instruments unless information becomes available that demonstrates that another default definition is more appropriate for a particular financial instrument. With the exception of POCI financial assets (which are considered separately below), ECLs are required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. lifetime ECL that result from those default events on the financial instrument that are possible within 12 months after the reporting date, (referred to as Stage 1); or
- full lifetime ECL, i.e., lifetime ECL that result from all possible default events over the life of the financial instrument, (referred to as Stage 2 and Stage 3).

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition (and consequently to credit impaired financial assets). For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

ECLs are a probability-weighted estimate of the present value of credit losses. These are measured as the present value of the difference between the cash flows due to the Company under the contract and the cash flows that the Company expects to receive

arising from the weighting of multiple future economic scenarios, discounted at the asset's EIR.

- for financial guarantee contracts, the ECL is the difference between the expected payments to reimburse the holder of the guaranteed debt instrument less any amounts that the Company expects to receive from the holder, the debtor or any other party.

The Company measures ECL on an individual basis, or on a collective basis for portfolios of loans that share similar economic risk characteristics.

2.13. Modification and derecognition of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date. In addition, the introduction or adjustment of existing covenants of an existing loan may constitute a modification even if these new or adjusted covenants do not yet affect the cash flows immediately but may affect the cash flows depending on whether the covenant is or is not met (e.g. a change to the increase in the interest rate that arises when covenants are breached).

The Company renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. A loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness) and amendments to covenants.

When a financial asset is modified the Company assesses whether this modification results in derecognition. In accordance with the Company's policy a modification results in derecognition when it

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

gives rise to substantially different terms. To determine if the modified terms are substantially different from the original contractual terms the Company considers the following:

- Qualitative factors, such as contractual cash flows after modification are no longer SPPI,
- Change in currency or change of counterparty,
- The extent of change in interest rates, maturity, covenants.

If these do not clearly indicate a substantial modification, then;

- In the case where the financial asset is derecognised the loss allowance for ECL is remeasured at the date of derecognition to determine the net carrying amount of the asset at that date. The difference between this revised carrying amount and the fair value of the new financial asset with the new terms will lead to a gain or loss on derecognition. The new financial asset will have a loss allowance measured based on 12-month ECL except in the rare occasions where the new loan is considered to be originated-credit impaired. This applies only in the case where the fair value of the new loan is recognised at a significant discount to its revised par amount because there remains a high risk of default which has not been reduced by the modification. The Company monitors credit risk of modified financial assets by evaluating qualitative and quantitative information, such as if the borrower is in past due status under the new terms.
- When the contractual terms of a financial asset are modified and the modification does not result in derecognition, the Company determines if the financial asset's credit risk has increased significantly since initial recognition by comparing:
 - the remaining lifetime PD estimated based on data at initial recognition and the original contractual terms; with
 - the remaining lifetime PD at the reporting date based on the modified terms.

For financial assets modified, where modification did not result in derecognition, the estimate

of PD reflects the Company's ability to collect the modified cash flows taking into account the Company's previous experience of similar forbearance action, as well as various behavioural indicators, including the borrower's payment performance against the modified contractual terms. If the credit risk remains significantly higher than what was expected at initial recognition the loss allowance will continue to be measured at an amount equal to lifetime ECL. The loss allowance on forborne loans will generally only be measured based on 12-month ECL when there is evidence of the borrower's improved repayment behaviour following modification leading to a reversal of the previous significant increase in credit risk.

Where a modification does not lead to derecognition the Company calculates the modification gain/loss comparing the gross carrying amount before and after the modification (excluding the ECL allowance). Then the Company measures ECL for the modified asset, where the expected cash flows arising from the modified financial asset are included in calculating the expected cash shortfalls from the original asset.

The Company derecognises a financial asset only when the contractual rights to the asset's cash flows expire (including expiry arising from a modification with substantially different terms), or when the financial asset and substantially all the risks and rewards of ownership of the asset are transferred to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

and receivable and the cumulative gain/loss that had been recognised in OCI and accumulated in equity is recognised in profit or loss, with the exception of equity investment designated as measured at FVTOCI, where the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain/loss allocated to it that had been recognised in OCI is recognised in profit or loss. A cumulative gain/loss that had been recognised in OCI is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts. This does not apply for equity investments designated as measured at FVTOCI, as the cumulative gain/loss previously recognised in OCI is not subsequently reclassified to profit or loss.

2.14. Presentation of allowance for ECL in the Balance Sheet

Loss allowances for ECL are presented in the statement of financial position as follows:

- for financial assets measured at amortised cost: as a deduction from the gross carrying amount of the assets;
- for debt instruments measured at FVTOCI: no loss allowance is recognised in Balance Sheet as the carrying amount is at fair value.

2.15. Government Grant:

The Company may receive government grants that require compliance with certain conditions related to the Company's operating activities or are provided to

the Company by way of financial assistance on the basis of certain qualifying criteria.

Government grants are recognised when there is reasonable assurance that the grant will be received upon the Company complying with the conditions attached to the grant.

Accordingly, government grants:

- related to or used for assets, are deducted from the carrying amount of the asset.
- related to incurring specific expenditures are taken to the Statement of Profit and Loss on the same basis and in the same periods as the expenditures incurred.
- by way of financial assistance on the basis of certain qualifying criteria are recognised as they become receivable.

In the unlikely event that a grant previously recognised is ultimately not received, it is treated as a change in estimate and the amount cumulatively recognised is expensed in the Statement of Profit and Loss.

2.16. Cash and bank balances:

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.17. Borrowing costs:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.18. Share-based payment arrangements:

The stock options granted to employees pursuant to the Company's Stock Options Schemes, are measured at the fair value of the options at the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight-line basis. The amount recognised as expense in each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognised as expense in respect of such grant is transferred to the general reserve within equity.

2.19. Accounting and reporting of information for Operating Segments:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Company.

2.20. Foreign currencies:

- i) The functional currency and presentation currency of the Company is Indian Rupee. Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.
- ii) Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the prevailing closing spot rate. Non-monetary

items that are measured in terms of historical cost in foreign currency are not retranslated. Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

- iii) Financial statements of foreign operations whose functional currency is different than Indian Rupees are translated into Indian Rupees as follows:
 - A. assets and liabilities for each Balance Sheet presented are translated at the closing rate at the date of that Balance Sheet;
 - B. income and expenses for each income statement are translated at average exchange rates; and
 - C. all resulting exchange differences are recognised in other comprehensive income and accumulated in equity as foreign currency translation reserve for subsequent reclassification to profit or loss on disposal of such foreign operations.

2.21. Taxation:

Current Tax:

Tax on income for the current period is determined on the basis of taxable income and computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.

The Company irreversibly opted to pay the Current Tax as per the Section 115BAA of the Income Tax Act, 1961.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets in respect of unutilised tax credits which mainly relate to minimum alternate tax are recognised to the extent it is probable of such unutilised tax credits will get realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

2.22.Provisions, contingent liabilities and contingent assets:

Provisions are recognised only when:

- i) a Company entity has a present obligation (legal or constructive) as a result of a past event; and
- ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- iii) a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of

the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- ii) a present obligation arising from past events when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities, and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

2.23.Commitment:

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) estimated amount of contracts remaining to be executed on capital account and not provided for.
- b) uncalled liability on shares and other investments partly paid.
- c) funding related commitment to associate companies; and
- d) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

2.24.Statement of cash flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing

activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i) changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii) non-cash items such as depreciation, provisions, deferred taxes, unrealised gains and losses; and
- iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

2.25. Earnings per share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year.

Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

2.26. Key source of estimation:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, expected credit loss on loan books, future obligations in respect of retirement benefit plans, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

2.27. Operating cycle for current and non-current classification:

Based on the nature of products / activities of the Company entities and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.28. Changes in Accounting Standard and recent accounting pronouncements (New Accounting Standards issued but not effective):

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022, as below:

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Notes

Forming Part of the Financial Statements for the year ended March 31, 2022

Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in

assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 106 – Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements

39. Financial risk management objective and policies

The Company's financial liabilities includes Loan and borrowings and Trade & other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's financial assets include trade & other receivables, deposits and cash & cash equivalents.

The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance. The Company uses derivative financial instruments to hedge certain risk exposures. The Company does not acquire or issue derivative financial instruments for trading or speculative purposes.

The Company's activities expose it to Credit Risk, Liquidity Risk and Market Risk. The Company has a Risk management policy and its management is supported by a Risk management committee that advises on risks and the appropriate financial risk governance framework for the Company. The Risk management committee provides assurance to the Company's management that the Company's risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

A. Credit Risk- A risk that counterparty may not meet its obligations under a financial instrument or customer contract, leading to a financial loss is defined as Credit Risk. The Company is exposed to credit risk from its operating and financial activities.

Customer credit risk is managed by the respective marketing department subject to the Company's established policy, procedures and control relating to customer credit risk management. The Company reviews the creditworthiness of these customers on an on-going basis. The Company estimates the expected credit loss on the basis of past data, experience and policy laid down in this respect. The maximum exposure to the credit risk at the reporting date is the carrying value of the trade receivables disclosed in Note 6 (Six) as the Company does not hold any collateral as security. The Company has a practice to provide for doubtful debts as per its approved policy.

An impairment analysis is performed at each reporting date on an individual basis. The calculation is based on historical data of credit losses.

40. Capital management

The Company's objective when managing capital (defined as net debt and equity) is to safeguard the Company's ability to continue as a going concern in order to provide returns to shareholders and benefits for other stakeholders, while protecting and strengthening the Balance Sheet through the appropriate balance of debt and equity funding. The Company manages its capital structure and makes adjustments to it, in taking into consideration the economic conditions and strategic objectives of the Company.

For the purpose of the Company's capital management, capital includes issued capital, share premium and all other equity reserves. Net debt includes, interest bearing loans and borrowings, trade and other payables less cash and short-term deposits.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches of the financial covenants of any interest-bearing loans and borrowing for reported periods.

Notes:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("the Act") setting out material facts relating to the special business, is annexed hereto.
2. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") vide its General Circular nos. 14/2020 and 17/2020 dated April 8, 2020 and April 13, 2020 respectively, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by Covid-19", General Circular no. 20/2020 dated May 5, 2020, General Circular nos. 02/2021, 21/2021 and 02/2022 dated January 13, 2021, December 14, 2021 and May 5, 2022 respectively in relation to "Clarification on holding of Annual General Meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM)", (collectively referred to as "MCA Circulars") and Securities and Exchange Board of India ("SEBI") vide its Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 (collectively referred to as "SEBI Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC/OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars, SEBI Circulars, provisions of the Companies Act, 2013 ('Act') and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC/OAVM.
3. Pursuant to the provisions of the Companies Act, 2013 read with rules made thereunder, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.

4. M/s. Cameo Corporate Services Limited, having its registered office at Subramanian Building No. 1, Club House Road, Chennai - 600 002 is appointed as Company's Registrar & Transfer Agents for its share registry (both, physical as well as electronic).
5. Since the AGM will be held through VC/OAVM, the Route Map is not annexed to this Notice.
6. Corporate Shareholders (i.e., other than Individuals/HUF, NRI, etc.) intending to attend AGM through their Authorised Representatives are requested to send a scanned copy (PDF/JPG Format) of their respective Board or Governing Body Resolution/Authorization, etc. authorizing its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to rgadvisory18@gmail.com with a copy marked to helpdesk.evoting@cdslindia.com.
7. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
8. As per the provisions of Section 103 of the Companies Act, 2013, shareholders attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum.
9. In accordance with the aforesaid MCA Circulars and SEBI Circulars, Notice of the Annual General Meeting along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose email addresses are registered with the Company or Depositories. Members may note that the Notice of AGM and Annual Report 2021-22 will also be available on the Company's website www.irisclothings.in, website of the National Stock Exchange of India Limited at www.nseindia.com and on the website of Central Depository Services Limited at www.evotingindia.com.
10. Members are requested to notify changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, PAN, registering of nomination, etc. to the concerned Depository Participant/Registrar and Transfer Agent/Company.
11. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or Arrangements in which the

Directors are interested maintained under Section 189 of the Companies Act, 2013 shall be made available for on-line inspection at the AGM.

12. Information of Director proposed to be re-appointed at the forthcoming Annual General Meeting as required under Regulation 36 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Secretarial Standard on General Meetings is provided in the annexure to this Notice.
13. The Register of Members shall remain closed from September 13, 2022 to September 19, 2022 (both days inclusive) for the purpose of 11th AGM of the Company.
14. SEBI has mandated submission of Permanent Account Number ("PAN") by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to provide their PAN details to their respective DPs with whom they are maintaining their demat accounts.

Voting Through Electronic Means:

15. Pursuant to Section 108 of the Companies Act 2013 read with Rule 20 of The Companies (Management and Administration) Rules, 2014, Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards on General Meetings, the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an arrangement with **Central Depository Services (India) Limited** for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as Venue Voting on the date of the AGM will be provided by CDSL.
16. The Board of Directors has appointed Mr. Rajesh Ghorawat, Practicing Company Secretary (FCS: 7226, C.P.: 20897) as the Scrutinizer to scrutinize the remote e-voting and e-voting at the AGM in a fair and transparent manner.
17. Members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC/OAVM but shall not be entitled to cast their vote again.
18. The remote e-voting period commences on **Friday, September 16, 2022 (9:00 am)** and ends on **Sunday,**

September 18, 2022 (5:00 pm). During this period, members of the Company holding shares as on the cut-off date of Monday, September 12, 2022, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.

19. The voting rights of shareholders shall be in proportion to their shares in the paid up equity share capital of the Company as on the cut-off date, being September 12, 2022. Any person, who ceases to be the Member of the Company as on the cut-off date and is in receipt of this Notice, shall treat this Notice for information purpose only.
20. Any person who become member of the Company subsequent to the dispatch of the Notice of AGM and holds the shares as on the cut-off date i.e., September 12, 2022 may obtain the Login ID and Password by sending a request at helpdesk.evoting@cdslindia.com or Company/RTA. However, if you are already registered with CDSL for remote e-voting then you can use your existing User ID and Password for casting your vote. If you have forgotten your password, you may reset your password by using "Forgot User Details/Password" option available on www.evotingindia.com.
21. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The voting period begins on **Friday, September 16, 2022 (9:00 am)** and ends on **Sunday, September 18, 2022 (5:00 pm)**. During this period, shareholders of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date Monday, September 12, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue
- iii. Pursuant to **SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs

and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method **for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“The Act”)

Pursuant to the provisions of Section 149, 150 and 152 read with Schedule IV of the Companies Act, 2013, Mr. Nikhil Saraf (DIN: 00611163) was appointed as a Non-Executive Independent Director for a period of 3 (three) years and his tenure is supposed to be expiring on August 30, 2022.

As per Section 149(10) of the Act, a Non-Executive Independent Director can be re-appointed for another term of upto a period of five (5) consecutive years by passing Special Resolution by the Company.

Based on performance evaluation and recommendation of Nomination and Remuneration Committee and as per the provisions of Sections 149, 150, 152 read with Schedule IV and other applicable provisions of the Companies Act, 2013 read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Nikhil Saraf is eligible for re-appointment as a Non-Executive Independent Director of the Company.

The Company has received declaration from Mr. Nikhil Saraf that he is not disqualified from being reappointed as a Director in terms of Section 164 of the Act and he is not debarred by SEBI or any other regulatory authority from holding the office of Director.

The Company has also received declaration from Mr. Nikhil Saraf that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16 (1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has received notice from a Member under Section 160 of the Companies Act, 2013 proposing the candidature of Mr. Nikhil Saraf as a Non-Executive Independent Director of the Company.

The Board considers that his continued association would be of immense benefit to the Company. Accordingly, the Board recommends the re-appointment of Mr. Nikhil Saraf as a Non-Executive Independent Director for a second term of 5 (five) consecutive years w.e.f. August 31, 2022, for approval of the Members of the Company by way of Special Resolution.

Copy of the draft letter for appointment of Mr. Nikhil Saraf, Non-Executive Independent Directors setting out the terms and conditions thereof is available for inspection without payment of any fee by the Members at the Registered Office of the Company during business hours on any working day, upto and including the date of AGM of the Company.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in this resolution.

Brief profile of Mr. Nikhil Saraf, nature of his expertise in functional areas and names of listed companies in which he holds directorship and membership/chairmanship of Board Committees, shareholding and relationships between directors as required under SEBI Listing Regulations, 2015 and the Secretarial Standard – 2 and other provisions of applicable laws are annexed to the Notice.

The Board recommends the resolution set out in the Item No. 3 for approval of the Members as a Special Resolution.
