DOREME D2C strategy

EBOs-Retail Business Model

EBOs in Clusters

- Cluster model strategy to enhance  DOREME brand presence citywide.
- Aims to enhance brand recognition by initially opening stores in the eastern regions where presence is limited, followed by an expansion into the well established western regions.

Ownership Model (COCO & FOCO)

- EBOs in Company Owned Company Operated (COCO) model to have first-hand experience of operations.
- Continue with only COCO model for a couple of years and/or ~80 stores.
- Considering high interest from existing distributors in franchise opportunities, plans to launch its franchise stores after FY26.
- Franchise will be Franchise Owned Company Operated (FOCO) model.

online retail business model

Online D2C Strategy

Build a strong brand-owned website with seamless UI, data-driven personalization, influencer-led marketing, and retention via loyalty programs to maximize margins and customer lifetime value.

Marketplace Strategy

Leverage marketplaces for reach, optimized listings, high reviews, sponsored ads, and exclusive SKUs to scale visibility, credibility, and consistent revenue flow.

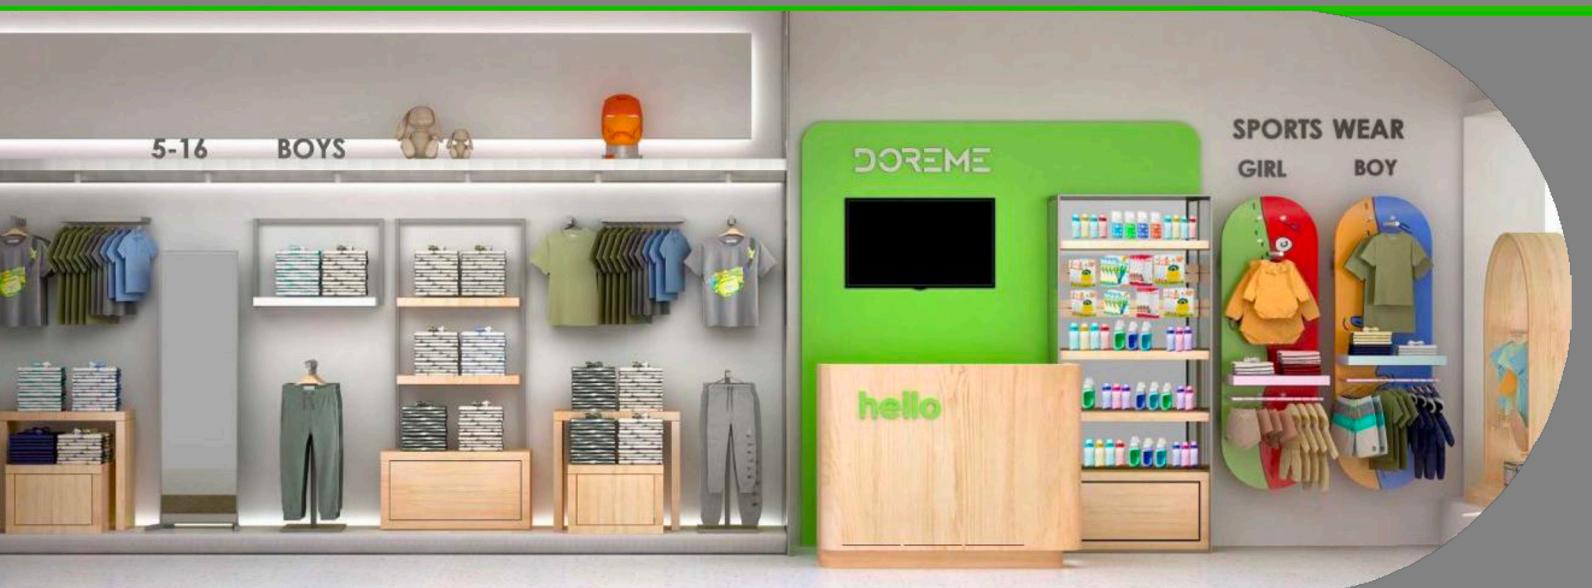

EBO store design

Standardised store design

Good experience in existing store, celebrating one year.

Better layout identification

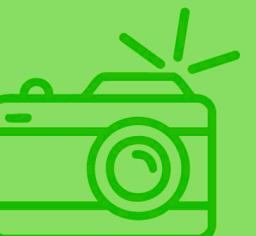

For the past two years, there has been a focused effort on expanding the retail footprint.

Improvements based on market feedback

This ongoing retail roll-out strategy indicates a long-term commitment to increasing the brand's presence in the market.

Continuously updating and diversifying the range of products offered to consumers.

Enhanced merchandise in store

Infantwear category share to increase

IRIS has recently launched woven night suits.

Launch of new products like innerwear and nightwear in FY26.

Sportswear category share to grow

The newly introduced sportswear line in FY24 is expected to contribute higher in FY26.

Launch of niche products like kids' winter sportswear.

Disney products range to expand

Category expansion in Disney products such as Disney winterwear collection, which saw strong demand, is set to boost the revenue.

Expansion of product portfolio

- Travel Wear & Cord sets
- Sportswear, Innerwear, Infant Accessories, Denim Pants & Woven Pants
- Outsource few products like jeans etc.

Expansion of manufacturing capacity

Through Brownfield,
Greenfield and OEMs

Brownfield Expansion

Focusing on debottlenecking in existing facilities to increase the current capacity utilisation of 75%

Addition of modern sewing machines every year to enhance productivity and introduce new line of apparel every year

Greenfield Expansion

Planned growth of Retail B2B business and EBOs roll out will require incremental manufacturing capacity

Planning construction of facility of 200,000 sq. ft. at an estimated capital outlay of Rs. 50 crores in West Bengal

OEMs

Outsourced manufacturing of certain product categories to reputed manufacturing companies to optimise investment in manufacturing
